

Prayer points for the Nigeria ACU (Africa Christian University) Project:

Please continue to pray for Nigeria regarding COVID19, specifically, for government officials to have wisdom and for peace within the communities despite the hardship. The shutdown appears to have flattened the number of cases, which have averaged about 230 new cases a day. Unfortunately, 230 Nigerians have died. The government has started relaxing lock down provision and we are praying the number of new cases does not increase.

I would like to express my appreciation to those who have supported the "feed Nigeria" program. To date we have raised over \$6000. We have posted pictures of some of the resulting distribution activities.

Agricultural activities continue during the shutdown. We recently birthed our first piglets. Be sure to take notice on how to stretch from the little pig on the bottom right.

As mentioned last months, a key focus of our current efforts is our distance learning programs. Please pray for our:

- 1) Distance learning media class starting June 15, specifically that we achieve our goal of 15 funded students.
- 2) Internet issues are resolved at Providence Academy such that we have high speed internet when the Academy is released to reopen.
- 3) For wisdom as we prioritize our distance learning program development and partnerships.

This Month's PRAISE ITEMS:

- Health of staff and volunteers

This Month's PRAYER REQUESTS

- For the near-term distance learning programs items listed above.
- Continued health of our staff and volunteers, and particularly against the threat of COVID19 for those working in our agricultural programs.
- As we look to restarting later this year, for restoration of funding for our ongoing programs and for our dormitory project (which needs an additional \$150,000).

We are thankful for those joining us in prayer; we recognize, pursuant Ephesians 6:12, we are in a spiritual battle that can only be won through prayer! We ask especially that you pray for us on the 20th of each month, in recognition of the 2020 target. Please particularly note underlined priority prayer points and praises.

Thanks for your prayers,

James Rose (CDF President, ACU Project Leader)
