

## Prayer points for the Nigeria ACU (Africa Christian University) Project

This month I am asking everyone to pray about playing a part in our campaign to raise prayer support, volunteer support, and financial support. Please ask God to lead you in how you should help us fulfill the great commandment and great commission. There are two things we are asking everyone to please do: first, pray for the campaign – that we connect with everyone God intends and that those we connect with respond as He intends. Second, please share this letter or the video link below with a friend or family member that might be interested or share it with a small group or Sunday school class. We are also asking you to consider playing an even bigger role, as discussed below.

In last month’s letter I summarized why I believe God is calling so many in the west to help the Nigerian church. This information is reiterated in the attached video [Press HERE for Video \(https://youtu.be/f0YKFiGpIPk\)](https://youtu.be/f0YKFiGpIPk). For those new to CDF, last month’s letter also summaries our various projects and ministries ([DOWNLOAD](#)), or visit our website ([cdfafrica.org](http://cdfafrica.org)). There are a variety of ways to support our ministries:

<b>Prayer support</b>	Email us to sign up for the monthly prayer letter or to request to be notified about our periodic zoom prayer meetings.
<b>Volunteer support</b>	Email us regarding volunteering, we need help with our prayer ministry, as well as office, IT and media support.
<b>Missions trips or Missionary roles</b>	Email us regarding mission trips opportunities, or missionary opportunities. We need help in a diversity of fields, in community work, engineering, medical, aviation, agricultural, children’s education, adult education, and IT.
<b>Networking</b>	Pass on this letter or the video link. Connect us with your church. Arrange a presentation for a small group (send us an email).

The last area we need support is financially. We have a variety of opportunities targeting different areas. All our campaigns can be found on the Christian Development Foundation go-fund-me site:
