

Prayer points for the Nigeria ACU (Africa Christian University) Project

Thank you for your prayer support; join us as we thank our Lord for what He is doing in Imala:

New Beginnings International Church (NBIC) Ministry Team Outreach

This is third year NBIC has sent a ministry team to help in Imala. Joined by WATS medical staff and students, the team conducted medical outreach and various programs for children, youth and adults. A few pictures are shown below. Some members of the team are shown meeting the king and queen in the upper left. Pictures from the medical outreach are shown on the same row to the right. Pictures from the children’s programs are on the next row. The picture at the bottom right shows the team on a visit to Schools of Africa, riding in “Big Blue”, the boat that will be used to transport Fulani school children. Click this link, [NBIC Video](#), for inspiring NBIC team member testimonies.

Ministry teams like this one can have great impact. If you are interested in information on how you could be a part, either short term or longer term, send an email at CDF@CDFAfrica.org.

Building Projects Making Progress

Construction of our first ministry house continues. As shown below, the roof is now going up and we expect the building to be operational in a few weeks. We will use the building as a multipurpose ministry house, providing six rooms near the training center. Some of the rooms will be used for offices, the rest for guest stays. The picture to the right below shows progress on the Schools for Africa Compound (the partner ministry mentioned above).

KEY PRAYER REQUESTS

- Favor with the government regarding land title and the Family Home Program.
- Sufficient progress with Providence Farming Consortium partners (Nigerian churches) to facilitate start of construction and planting, providing a source of food for students studying in Imala.
- Formation of Committee of 1000 and initial ACU seed funding.
- That peace overcomes unrest in Nigeria. For safety and security in Imala and for those involved in the project.

We are thankful for those joining us in prayer; we recognize, pursuant Ephesians 6:12, we are in a spiritual battle, a battle that can only be won through prayer! We ask that you especially pray on the 20th of the month.

Thanks for your support,

James Rose (CDF President, Project Lead)
