Praise and Prayer points for the Nigeria ACU (Africa Christian University) Project

Thank you for your prayers regarding my trip to Nigeria in early March. It was my first trip in 2022, and we made some important progress, particularly working through the challenges associated to the unexpected loss of Ope, as I mentioned in last month’s letter. During my visit I was able to spend some time with his parents and his wife, Elizabeth. Thank you for praying for this family! During my visit I was also able to meet with key government officials and visit the sites of our construction projects discussed below.

Nigeria Construction Projects: The picture to the right shows progress on the building the Imala international church, as well as the guest house; these are being constructed across from the clinic. I am also pleased to report, the missionary guest house in King’s Estate is essentially completed, with only the utility tie-in remaining.

First Mission Team of the Year came to us from MidAmerica Nazarene University. 12 counseling students, faculty and friends helped with pastoral and staff training, a daily children’s program (with over 500 kids participating) and various work projects.

Farming activities are stepping up in response to the first rains of the year beginning this month; we will be planting soon. The picture on the far left shows that our greenhouse pepper and tomato crops are growing well. First fruits are expected next month! Also shown to the right are students harvesting honey.

KEY PRAYER REQUESTS

- **Land Title:** Finalization of title for the initial Imala tracts and registration of the Mowe Title.
- **Completion and graduation of the second Agriculture class**
- **Faithful Support:** prayer, volunteers, missionaries, funding
  - Additional missionaries, interns, and mission teams
  - Fruit from US contacts in January and Professor Maxey’s March trip.

We are so thankful for those joining us in prayer; we recognize we are in a spiritual battle (Eph 6:12), a battle that can only be won through prayer! We ask that you especially pray on the 20th of the month.

Thanks for your support,

James Rose (CDF President, Project Lead)
