

Praise and Prayer points for the Nigeria ACU (Africa Christian University) Project

We thank God for you and your prayers, especially during storms. Last month we experienced one of those storms, when one of our key partners, Pastor Dr Elijah (Ope) Omodanisi, went to be with the Lord. Please pray for his wife Elizabeth and his young family. If you know him, consider contributing to an Agricultural Student Endowment Fund being set up in his name. Please pray for us as we work with Ope's organization to continue the work Ope so faithfully pursued. We thank our Lord that He is always with us during storms, providing peace that passes all understanding!

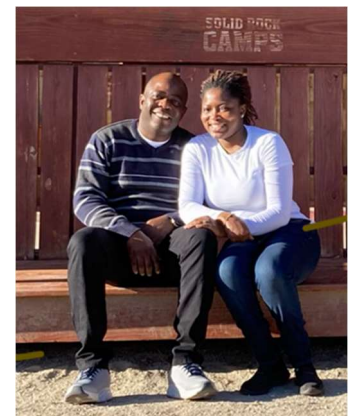

Nigeria Construction: The pictures above show two buildings under construction in Imala. The pictures on the left and in the center are of the first missionary duplex, nearing completion in Kings Estate. Construction has also begun on a building for a New Beginnings International Church extension site, located across from the clinic. This building will also provide guestrooms for medial mission teams.

Prayer and Missions Center: Two years ago, God placed it on our hearts for CDF to become an ambassador for Nigerian ministries in the US. During the past two months, God has made a way for us to open a Prayer and Mission Center at a site next to Solid Rock Camp; clearing of the site is scheduled to begin before the end of the month. Derek May, shown with his wife Denise, is a new US board member that has volunteered to lead this ministry.

Other Activities during the past month:

- Professor Maxey kicked off our public relations efforts for the university in the US. His trip was successful, making contacts in five states. James joined him in Texas and Pennsylvania. Please pray for the seeds planted, that God will raise up the needed support, particularly for faithful prayer warriors.
- Prince Wale (King of Imala's youngest son) and his wife Bola came to visit the Roses in Texas. They were introduced to longhorns and Mexican food. The picture shows them at Solid Rock Camp where they met with some of our supporters and visited the planned site of our Prayer and Mission Center.

KEY PRAYER REQUESTS

- **March Trips:** First Missions Team of the year and James' Trip.
- **Land Title:** Finalization of title for the initial Imala tracts
- **Faithful Support:** prayer, volunteers, missionaries, funding
 - Additional missionaries and mission teams
 - Fruit from US contacts in January.

We are so thankful for those joining us in prayer; we recognize we are in a spiritual battle (Eph 6:12), a battle that can only be won through prayer! We ask that you especially pray on the 20th of the month.

Thanks for your support,

James Rose (CDF President, Project Lead)
