

## Praise and Prayer points for the Nigeria Christian University Project

We thank God for all He is orchestrating regarding the University Project in Imala, particularly for the progress shown below. Please pray for Denise and me as we travel to Nigeria in the coming weeks; I will be in Nigeria until mid-November, Denise is staying for a few weeks. Other prayer requests can be found below.

**Key Milestone:** This month we received a \$100k commitment for Africa Christian University. When combined with other gifts, we have reached a major trigger milestone; specifically, we will soon be formally approaching the National University Commission. In addition, in October there will be two events in Nigeria to “Launch the Vision” (Lagos on October 11, Ibadan on October 18, both at noon). If you are interested in attending, please send an email and we will provide additional information.

**New Staff and Missionary Homes:** Over the last two months we have been moving into several new facilities. Previously I reported the opening of our first missionary home for the Maxey’s, the opening of Imala International Church near the clinic, and the opening of our warehouse at the industrial park. This month a second missionary family has moved into their home and several staff have move into new staff housing (see below, note snap of our built-in kitchen cabins). We thank everyone God has used to make our six new homes a reality! We have now vacated Bara House, a facility we leased for five years; these moves have also freed up guest rooms at Providence House, so please plan to come see us.

In support of opening these homes, we have completed several utility and security projects. Shown below is our four-vehicle solar panel carport for two missionary homes. The middle picture is the security house and gate for the missionary housing area. The photo on the right is a three-vehicle carport near the clinic.

### KEY PRAYER REQUESTS

- **Progressing ACU:** Key partner development and ongoing work on a road map for establishing initial faculty. Potential early start of an education faculty via a Teacher Certification program.
- **Event success:** Lagos October 1. Ibadan October 18. James & Denise’s time in Nigeria fully God led!
- **Land Title:** Title for the 1<sup>st</sup> tracts, continued progress on the 2<sup>nd</sup> set. Resolution of encroachment issues.
- **Staff and Faithful Supporters:** prayer support, volunteers, missionaries, funding.

We are so thankful for those joining us in prayer; we recognize we are in a spiritual battle (Eph 6:12), a battle that can only be won through prayer! We ask that you especially pray on the 20th of the month.

Thank you for your support,  
James Rose (CDF President, Project Lead)
