

Praise and Prayer points for the Nigeria Christian University Project (Imala, Ogun State) and CDF

Last month we successfully kicked off the first monthly 24-hour prayer chain. Every one-hour time slot was filled by at least one individual or group. We thank everyone that participated because we know prayer works. I especially thank those that have committed to participate in the chain each month. We encourage everyone to consider joining in prayer with us. You can sign-up on the prayer challenge signup site and receive a reminder:

<https://signup.24-7prayer.com/signup/a63d0c>; if you send us an email and indicate you will be praying monthly, we will add you to the prayer chain each month as designated. We also have a website providing various prayer guides at: <https://trello.com/b/aHJwGNpS/24x7-prayer-challenge-1>. The site includes praise items and various prayer requests.

Denise and I are both in Nigeria for an extended stay. Thankfully things have settled down some after the election and the fuel and currency crisis seem to be abated. Pray that we encourage our staff, and successfully achieve His work in His time. Pray for our planning sessions, that we are directed by our Lord.

We are pleased to advise that we have finished a new 10-minute video introducing Providence International University. The video is moderated by Professor Maxey and is designed to lay out the project vision while showing progress to date. You can find the video on you tube at <https://youtu.be/f30iT3LDwXs>. Please find below snaps from the video:
