

Praise and Prayer points for the Nigeria Christian University Project (Imala, Ogun State) and CDF

Denise and I have had a good trip, one of our longer visits to Nigeria. Denise has just returned. I will be returning to the US later this month. Please pray for a strong finish! Listed below are some of the highlights.

Trip Highlights:

- Answer to prayers for successful planning sessions, sessions for each business unit; we now pray for the Lord's direction of each step along the way (Prov 16:9).
- Significant move forward in our medical program with the addition of SFA's new missionary doctor.
- Facilitation of our community interactions via a newly formed community-leaders group and their addition of a community liaison (with family ties in Imala).
- Return of Kabiyesi from his trip to the US.
- Our trip to Johannesburg, where we enjoyed time with our friends and the beauty of South Africa.

Visiting one of the villages in the project area where we will drill a well (currently they walk 1km to fetch water).

Celebrating 18 years on the throne with Imam's prayer of blessing, in Jesus Name!

Key Prayer Items:

- Resolution of land issues (encroachment, land grabbers).
- Funding to allow restart of projects currently suspended (multipurpose building, duplexes).
- New Partnerships. Staff and volunteers.
