

## Praise and prayer points for CDF and the Nigeria Christian University Project (Imala, Ogun State)

Last month we celebrated the groundbreaking of the first university building. This month we are celebrating with Kabiyesi (the king of Imala) and his 20<sup>th</sup> year on the throne. Please find below reports on the celebrations, progress on the building, and other news.

### Kabiyesi Celebrates 20 Years:

Our board member, Archbishop Stephens, joined James in Imala to personally congratulate Kabiyesi. We were joined by our chairman and other board members on a zoom call, which Kabiyesi really enjoyed, especially when Archbishop advised him we were honoring by naming the first building after him.

Denise joined James, and other staff, at the Tuesday and Saturday events; James was asked to give an update on the project; Denise joined in on the celebratory dancing! (See photo below).

Archbishop and Prince Wale inspected the building site, where foundation excavation is well underway (See below).

Archbishop met with staff in our higher education programs (Academy, Research Farm, and Natl Certification in Education), also with Dr Akintade, leader of the team planning the Faculty of Education (shown in photo on lower right).

### Prayer Requests for May

- God's provision for completing construction and furnishing of the first building (additional funding need: \$100k).
- God's direction in planning the education faculty and the African Learning Center programs and board. Positive feedback from upcoming meeting with the National University Commission.
- Direction and protection for all our staff, volunteers and board members and their families.

Thank you for joining us in prayer, for standing with us!
